and Museum Friends

The Rich Traditions of Brecon's Theatre

2nd October 2021 3pm

Live at The Muse, Glamorgan Street and
also streamed live online via YouTube

Sister Bonaventure Kelleher pioneered an understanding of the history of the Theatre in Brecon. **Jayne Gold**, who is taking this research forward in her funded PhD at the University of Bristol, will present her latest findings as part of a free celebratory event.

The programme will also include a description of some of the Brecknock Museum's treasures relating to the great actress Sarah Siddons and a dramatisation of some aspects of Brecon's theatrical story by members of the Brecon Little Theatre.

If you would like to be present at the Muse, please contact **Elaine Starling** at elainestarling10@icloud.com. Elaine will also be able to supply the YouTube link to those wishing to attend the event remotely.
