**THE CONSERVATION AND INTERPRETATION OF TRETOWER  
COURT AND CASTLE**

**FRIDAY, 1ST APRIL 7PM, THEATR BRYCHEINIOG  
FREE TICKETED EVENT**

The group of medieval buildings at Tretower is one of the most remarkable in all Wales. The late medieval Tretower Court was saved for the nation by the Brecknock Society in 1930 and the twelfth-century castle was taken into the care of the State in 1947. Dr Robinson's interest in Tretower has developed over several decades and his lecture will look at the conservation work at both buildings, and at the various interpretations placed on them by different generations of historians.

Tickets are free but seats should be booked via Theatr Brycheiniog. There will be a retiring collection in aid of the educational work of the Society.

**CADWRAETH A DEHONGLIAD LLYS A CHASTELL TRETŴR**

**NOS WENER, 1 EBRILL, 7PM, THEATR BRYCHEINIOG  
DIGWYDDIAD RHAD AC AM DDIM GYDA THOCYN**

Y casgliad o adeiladau canoloesol yn Nhretŵr yw un o'r mwyaf rhyfeddol yng Nghymru gyfan. Achubwyd Llys Tretŵr, o gyfnod diwedd y Canol Oesoedd, i'r genedl gan Gymdeithas Brycheiniog yn 1930, ac aeth y castell sy'n dyddio o'r ddeuddegfed ganrif i ofal y Wladwriaeth yn 1947. Mae diddordeb Dr Robinson yn Nhretŵr wedi datblygu dros sawl degawd, a bydd ei ddarlith yn edrych ar y gwaith cadwraethol sydd wedi digwydd yn y ddau adeilad, ac ar y dehongliadau amrywiol a osodwyd arnynt gan genedlaethau gwahanol o haneswyr.

Mae tocynnau'n rhad ac am ddim ond dylid eu harchebu oddi wrth Theatr Brycheiniog. Cynhelir casgliad ar y ffordd allan er budd gwaith addysgol y Gymdeithas.
